

RendererInterface

```
classDiagram
    class RendererInterface
    class RendererDirectX9
    RendererDirectX9 --|> RendererInterface
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'RendererInterface' with a gray background. Below it is a box labeled 'RendererDirectX9' with a white background. A blue arrow points from the bottom of the 'RendererDirectX9' box up to the bottom of the 'RendererInterface' box, indicating that 'RendererDirectX9' inherits from 'RendererInterface'.
